

Discounted, Surplus, or Salvaged Inventory sitting around with nowhere to go?

Hard to sell merchandise taking up valuable warehouse space?

Our SECURE auction exchange will help you achieve a higher return on your discontinued, withdrawn, surplus, closeouts, salvage, overstocked, and distressed inventory.

XPPO.com is a convenient and cost-effective way to control your returns disposition and liquidate plumbing products for sale to your existing primary markets.

XPPO.com's B2B Asset Liquidation Program targets your existing customer base that is looking for your excess products!

- List your inventory for sale on our web-based auction site while it is stored in your facility.
- Implement your specific parameters for each sale to define the location of the item for sale, the buyer type you desire, and the minimum bid price.
- Determine if you want the product to be picked up by the buyer once it has been purchased or whether you will ship it directly to the consumer.

XPPO.com B2B Asset Liquidation Program includes:

- **FREE** product listing for a 10 day auction. **XPPO.com** will post an unlimited amount of inventory in your own personalized store. Free product listing includes: store setup, store graphics, product descriptions, product pictures, and your specific terms and conditions.
- **FREE** banner ad on **XPPO.com** during the 10 day auction.
- **FREE** marketing campaign to support your auctions, including Google Advertising, e-mail advertising. Free direct mailings available dependent upon auction size/volume.
- **XPPO.com's** auction number will be cross-referenced to your individual SKU number, allowing easy warehouse picking, and billing in your inventory management programs.
- Assistance with buyer questions regarding product information, shipping, and payment options.
- **Low 10% commission** paid to **XPPO.com** for all items sold during your auction period.

What do we need from you to be successful?

- To achieve a higher return on your auctions, we recommend the seller provide us with:
 - Product list with starting bid prices.
 - Special product descriptions (scratch and dent, etc...) and specific digital pictures.
 - A list of buyers' email/postal addresses to invite them to bid on your items.
 - A commitment to complete the sale by shipping the product in a timely manner.

Let us help you sell your items today!
